

### **7.3 Institutional Distinctiveness:-**

Though the prime purpose of the institution is to upgrade its teaching-learning process, it puts its wholehearted efforts to make the students as dependable citizens of the nation. It organizes the following participative activities for the students to make them realize and fulfil their social responsibilities:-

- \* Rallies on various Social Issues
- \*Visit to Seva Gram: Ashram of Mahatma Gandhi
- \*Visit to Vishwa Shanti Stup
- \*Visit to Geetai Mandir
- \*Visit to Old-Age Home with food and blankets for the inmates to show concern, have interaction and to give emotional support
- \* Program on gender sensitization and other social & health issues
- \*National Anthem and University Song are sung at the beginning of the programmes to promote National Unity and Integrity, and Communal Harmony
- \*Celebrating the Birth Anniversaries/ observing the Death Anniversaries of famous social reformers to imbibe values and ethics among students
- \* Encouraging students to understand their social responsibilities through community service/ social movies/ guidance and mentoring by the faculties

#### **6.2.1 The Institutional Strategic/Perspective plan:-**

- \*To streamline the regular activities with Covid-19 Pandemic
- \*To promote research, publication and other academic activities for the development of the faculties
- \*To bring about more ICT based teaching-learning methods along with traditional form of teaching-learning
- \*To organize seminars and workshops for students to enhance the quality of education
- \* To enhance communication skills/soft skills of the students
- \*To organize co-curricular activities- guest lecture, visits, poster competition, debate, essay competition, group discussions, etc.-to enrich the curriculum and to develop the personality of the students
- \*To organize extra-curricular activities to make the students aware of their social, national, environmental and familial responsibilities

\*To make the students understand and address the crosscutting social issues through guest lectures and curricular aspects

\*To mentor, guide and counsel students to enhance their standard and improve their life

\*To encourage students to participate in sports and games

\*To create awareness of Yoga and Meditation among the staff and students to live stress-free, happy and healthy life

\*To get faculty and administrative staff connected with students 24X7 through social media for their professional and personal development

\* To encourage students to do projects
